**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE ACTION**

S I R:

In response to the Notice of Abandonment mailed June 20, 2008, Applicants hereby petition to withdraw the holding of abandonment of the above-identified application.

The application became abandoned for failure to submit a response to the "Notification of Missing Requirements" mailed April 30, 2007.

The entire delay from the abandonment of the application and the filing of this grantable Petition to Revive was unintentional.

Submitted herewith are copies of the logbook of incoming mail of the undersigned attorney showing that the Notification of Missing Requirements was not received during the period of April 30, 2007 through June 4, 2007.

In addition, a search of the file jacket of the application has been performed by the undersigned attorney but the Notification of Missing Requirements was not found.

Also submitted is a copy of the month of June 2007 of a calendar maintained by the undersigned attorney by docket number and the type of response required. Once all communications received from the USPTO have been entered in the logbook, those office actions which require a response are entered into the calendar. This calendar is checked daily and reminders are sent

in connection with those applications where no response has yet been filed. If a response is filed, the docket number is crossed out in the calendar. This system has proven reliable and has been used by the undersigned attorney for the last fifteen years without problems.

Applicant respectfully states that the office action was not received at the correspondence address of record, a search of the undersigned attorney's records, including the file jacket of the application, and the application contents, indicates that the office action was not received. The copy of the calendar page for June 2007 shows all replies docketed for June 2007. As mentioned above, a copy of the incoming mail log is submitted herewith.

Accordingly, it is respectfully submitted that this petition should be granted and the Notification of Missing Requirements be remailed.

In the event that a petition fee is required, the Commissioner is authorized to charge such fee to Deposit Account No. 11-1835.

Respectfully submitted,

F. Kueffner
